

**I have a dream - 1996**

This was written for Martin Luther King Day.

Monday, January 8, 1996

I have  
a dream

I have a dream, and my dream is that there will be peace and harmony for millions of years. I dream that I and other humans live in peace, and joyfulness. There will be no viruses or germs. We will not need white blood cells so they turn in to knowledge. We will not care for much meat.

Very far reaching dream!  
That would be wonderful.
